WORK EXPERIENCE

Websar IT Solutions

Web Developer (Internship)

10 Aug 2024 - Present

- Assisted in designing and developing **10+ responsive websites** using HTML, CSS, JavaScript, and React, ensuring mobile-first design principles.
- Collaborated with a team to implement dynamic features, improving user interfaces and increasing user engagement by **20%**.
- Debugged and optimized web pages, reducing load times by **30%** and ensuring compatibility across **5+ major browsers**.
- Contributed to building reusable components, streamlining development and reducing project timelines by **15%**.

EDUCATION

Dr Babasaheb Ambedkar University Chh Sambhajinagar

Master of Computer Application

July 2023 - May 2025

PROJECTS

Apple Web Application

Sep 2023 - Oct 2023

- Developed a user interface closely resembling the Apple website to showcase my technical skills and attention to detail.
- Built the application using beginner-friendly yet modern web technologies, including HTML, CSS, JavaScript, Bootstrap, and Sass.
- Focused on creating a responsive, visually appealing design to highlight my ability to work with UI/UX principles.
- Created the project solely for learning and skill demonstration purposes, not for commercial use.

Online Shopping System (Shopper)

Jan 2024 - Feb 2024

- Shopper is a fully functional eCommerce platform connecting buyers and sellers in an easy-to-use online marketplace.
- Designed with a focus on user experience, it offers an intuitive shopping interface and a wide variety of products.
- Includes personalized features to enhance the shopping experience and cater to individual user needs.

SKILLS

- Languages : HTML5, CSS3, JavaScript, React
- Libraries & Tools: Bootstrap, Tailwind CSS
